Welcome

At Eversfield Preparatory School we recognise that all children have talents and skills in different areas. We aim to give many opportunities to develop and nurture these varying qualities, and allow our children to achieve the best they possibly can. There is no plateau of 'potential' in a child, once they achieve one level, they can go in pursuit of another.

The security, happiness and educational development of our children are of paramount importance. Consequently, choosing the right school is a crucial decision.

Our prospectus and information guide aim to give you a flavour of life at Eversfield, however there is no substitute to visiting us in person to experience the friendliness and energy of the School. We run Open Mornings throughout the year, or you can contact our Registrar to arrange a visit or have an informal discussion about our admissions process.

We look forward to welcoming you to Eversfield.

The Eversfield Vision

Eversfield offers an outstanding, broad education within a safe, caring, happy, family atmosphere where the talents of every child are valued and nurtured. We achieve excellent results without compromising on the Christian principles of mutual care, respect and encouragement that underpin everything that we do.

- To promote high moral standards through clear and relevant Christian teaching.
- To provide a wide breadth of experiences and opportunities for all our children to discover and develop their individual talents.
- To support our children in becoming valued members of society so that they may develop self-confidence, ask questions, seek new experiences, not be afraid to make mistakes, express themselves confidently and modestly and develop team and leadership skills.
- Develop excellent organisational habits and routines to help transition to senior school and general work / life skills.
- Prepare pupils for successful 11+ entry examinations.
- To provide a safe, supportive, healthy educational environment, with buildings, facilities and staff that enable our children to learn and develop.
- To ensure that all our children receive excellent pastoral care.

Admissions

We welcome pupils to Eversfield in any year group at any point during the year subject to place availability and meeting our entrance criteria for new pupils.

Our Registrar is responsible for all aspects of the admissions procedure and will be happy to assist with any specific questions you may have. You can contact our Registrar by email registrar@eversfield.co.uk or by telephone 0121 705 0354.

Visiting Us

Families who are interested in joining Eversfield are invited to attend one of our Open Mornings held in the Michaelmas and Lent Terms, or to book a personal tour during term time. It is the ideal way to find out more about the academic, pastoral and co-curricular opportunities available to pupils.

Open Mornings are held on Saturday mornings and commence with a personal tour of the school conducted by our current Form 6 pupils. Our tour guides show prospective families around our facilities and there is always much lively discussion as they share details of their time

at Eversfield. There is also time available during a tour for parents to talk to staff, the Headmaster and our Registrar who is on hand to answer any specific questions regarding the admissions process.

Families who visit school during a normal working day will be shown around by the Registrar. Each individual tour lasts around one and a half hours and, where possible, prospective parents will be introduced to the Headmaster, Deputy Head or member of the Leadership Team.

Entry into Kindergarten and Nursery

We welcome children into our Kindergarten from the term of their 3rd birthday. This could be entry in September, January or April and is dependent on them being able to use the toilet independently. There is no formal academic selection process at this age, but children of pre-school age are encouraged to attend a Taster Session in Kindergarten or Nursery prior to their start date.

Children progress from Kindergarten to Nursery in the September following their 3rd birthday, and to Reception in the September following their 4th birthday.

Kindergarten and Nursery children start with a minimum of 5 sessions per week (5 half days or 2½ full days). These can be increased at the beginning of each new term when your child is ready to advance to a longer day. A maximum of 10 sessions per week (full time) is offered. Wrap around care is available before school from 8.00am to 8.30am and after school from 3.30pm to 5.30pm.

Entry into Reception to Form 6

Existing pupils who are in the Nursery and wish to progress to Reception, or who are in Reception and wish to progress to Form 1, are expected to reach an acceptable standard of behaviour, academic progress and social interaction before a place is guaranteed.

Children who are new to Eversfield and who are seeking admission into Reception or above are invited to attend a Taster Day and spend some time with the appropriate year group.

Registration and Waiting Lists

A completed Registration Form, together with a non-refundable Registration Fee of £75, will provisionally reserve a place for entry at Eversfield or register your child on our waiting list if your desired year group is full. Registration for a place does not automatically guarantee that a place will subsequently be available.

A waiting list is drawn up when a year group is full. Places are allocated to children as they become available in order of the date and payment of their Registration Fee. Preference is given to siblings of current pupils, families requiring a place for two or more siblings at the same entry point, and applicants who have been offered a bursary.

Taster Days and Offers

Prior to receiving an offer for a place prospective pupils from Reception upwards are invited to attend a Taster Day or Session. These are held on school weekdays during term time and enable your child to experience a normal school day within their current year group. During the Taster Day or Session we will assess your child's development informally, ensuring we can offer the most appropriate care and education and meet each child's needs.

The assessment activities are designed to ensure that all new pupils can access and enjoy our curriculum. Should a pupil find these particularly challenging this will be highlighted to parents.

Where appropriate, parents are invited to meet with the Headmaster to discuss their child's academic and pastoral needs, and care is taken to ensure that the School can provide adequately for those who may require learning support. With parents' permission, we will write to your child's present school to ask for an up-to-date academic report.

When a place is offered the Confirmation of Entry Form and associated contracts and forms are sent out for completion. Prospective parents are requested to complete these forms and return them together with the deposit. Once a place has been accepted your child will be allocated to a Form and House. Children of old boys and girls, or children with siblings already attending Eversfield will be allocated to the same House as other family members.

Results and ISI Report

Having been individually guided through the process of selecting a senior school, 100% of 11+ entrance examination pupils in 2022 were excited to receive offers from a rich variety of 17 highly selective grammar and senior independent schools. Our success in developing the exceptional talents of pupils was recognised by the 20 offers of academic, art and music scholarships that they secured.

The School's latest ISI inspection report indicates how strong a school Eversfield is. It is noted by the inspectors that pupils are 'excellent communicators', possess 'excellent attitudes to their learning', and 'have excellent study skills' all leading to 'pupils of all abilities and backgrounds achieving highly and often in advance of expectations for their ages'.

The report highlights the effectiveness of the School's leadership and the '*high levels of knowledge, skills and understanding of pupils*' attained through the quality teaching of staff who deliver '*effectively paced lessons, challenging, open-ended questioning and extended tasks*'.

Inspectors acknowledged that '*pupils are highly accomplished across all areas of school life*' due to the many high level opportunities in sport, music, drama and other curricular and extra-curricular areas, and that '*the quality of pupils' personal development is excellent*'.

The ISI inspection was undertaken in January 2022. The report can be read in full on the School's website.

Scholars Programme

Eversfield offers an academic scholars' programme for children in Form 3 to Form 6.

Being a scholar is a public acknowledgement of a young person's outstanding academic ability and is viewed as prestigious within our school community. Eversfield scholars embody the values and purpose of the School. They are pupils who excel academically and recognise that being a scholar carries responsibilities of role modelling and are enthusiastic about the opportunities available to them.

Each year a small group of pupils are selected to join a programme of enhanced studies that takes place outside of curriculum time during the week. The programme is designed to extend pupils who show aptitude and a desire for deeper learning. High achieving pupils are selected to join this programme through ongoing analysis of their academic levels of attainment, enthusiasm for learning and ability to use higher order cognitive skills. We expect these pupils to continue to reach high academic standards and apply their abilities across all areas of school life throughout their time at Eversfield. There are opportunities for pupils to join the programme at any time in Form 3, 4, 5 and 6.

Bursaries

Thanks to the School's charitable status, means-tested bursary awards are available for direct entry to Form 3 and above to help support families in the community who would not otherwise be able to afford some, or all of the school fees. They are awarded on a competitive basis and are limited to funds available.

Applicants need to complete a Bursary Application Form and a Registration Form, but do not need to submit the £75 Registration Fee. Forms must be submitted by the last school day of the Michaelmas Term in the academic year preceeding the year of entry. Applications will initially be assessed during a home visit from an independent agency. A shortlist of applicants will then be invited to visit Eversfield during the Lent Term. Following this the Bursary Committee will determine how many awards will be made

for the next academic year. Any financial assistance is reviewed on an annual basis but is unlikely to change unless financial circumstances alter. Bursary awards are conditional upon the child remaining at Eversfield until the end of Form 6 unless they are moving to a non-fee-paying school.

A copy of the Bursary Application Form can be found on the school website or by contacting our Registrar via email registrar@eversfield.co.uk or by telephone 0121 705 0354.

Discounts

We are pleased to offer a reduction of fees for second siblings attending the school simultaneously at the rate of £125 per term, and £175 per term for the third and subsequent siblings attending school simultaneously. A fee reduction of £125 per term is also offered to the sons and daughters of Old Boys, Clergy and Missionaries, but no family or individual can receive reductions for more than one reason. These reductions are only applicable for pupils in full time attendance.

Payment

Fees are charged termly in advance. Accounts are payable on or before the first day of term and can be paid by bank transfer or cheque. The School reserves the right to charge an administration fee for late payment of accounts.

A 'Monthly Instalment Payment' scheme is available. Further details can be obtained from the Finance Department who can be contacted via email finance@eversfield.co.uk or telephone 0121 705 0354.

If a pupil is to be withdrawn from Eversfield, a full term's notice in writing must be given otherwise full fees for the following term are required. Further details are available in the Confirmation of Entry and School Contract which is sent to new parents.

To book a tour of the School, or to have an informal discussion to learn more about our admissions process, please contact Mrs Lindsay Harryman.
