## Uniform List 2023-2024

## **Eversfield Preparatory School Uniform and Games Kit**

We have developed this booklet to help you when buying your child's school uniform and Games kit.

If you are unsure of anything at all, please do not hesitate to ask the class/ form teacher or to email me (hphillips@eversfield.co.uk) or Mrs Harryman (lharryman@eversfield.co.uk) and we will endeavour to help you.

All pupils in Forms 1 – 6 require a Games net in which to keep their Games kit. New pupils will be supplied with a Games net in the induction pack prior to them joining Eversfield. Replacement nets may be purchased from the School Office.

We divide our terms into two; the term followed by a 1 indicates the first half e.g., Michaelmas 1. The term followed by a 2 indicates the second half e.g., Michaelmas 2.

All items of Eversfield Preparatory School uniform are available from:

### **Shoes**

We kindly ask that shoes are of a black, plain shoe style i.e., no trainer-style for boys, no flashing lights, and that they stay securely on the child's foot i.e., have a buckle/ strap/ Velcro/ lace fastening.

### **Please ensure all items of clothing are named!**

It is very helpful if **all** items of clothing are named as you can imagine that children misplace their kit at regular intervals. It invariably turns up on someone else's peg or in a different bag, but it does make life easier if the item is named.

Deputy Head
