

Eversfield School Association (ESA)

The Eversfield School Association was formed in 1996, and membership is open to all parents with a child attending the school, and to others who support the objects of the Association.

The objects are:

- To promote good relations between staff, parents, pupils (present, past and future) and others associated with Eversfield School.
- To advance the education and welfare of pupils at Eversfield School.
- To promote the achievements and good name of Eversfield School.

Of course, our aim is also to raise funds to support projects within the school, but these objectives remain firmly at the core of everything the Association undertakes.

If you feel you would like to become involved, the A.G.M. takes place annually in July, at which time you are welcome to volunteer your services. We are always happy to have new members and volunteers to help out at events if you can spare the time.

We would like to welcome you the Eversfield community and look forward to seeing you at some of our exciting events.

The Committee

The present committee consists of 4 staff members and 13 parent members. A list of contacts can be found on the following page.
